Vox Populi.

For the Standard. The State House.

One communication has already appeared in ways have become substitutes for water the Standard on the subject of the State House, transportation, and the numerous little suggesting Burlington as its future location, and depots on their lines in the main supply a second, although it does not directly argue in Thus Burlington has fallen from its high from Burlington; and even goes so far as to in- Roy, P. Bailey, Albany, estate-its business dwindled at least one situate that our representatives may be bought A. A. Coillas. estate—its business dwindled at least one over to the interests of Burlington by a proposition to "swap horses." I have no such fears for M. C. Chamberlain, " changed to retail shops; grass grows in Origans, nor do I believe that her representatives E. Taylor, Barton, its streets; and to one who knew it in can be wheedled cut of their judgment by the S. S. Kimball, " ments may not be out of place here.

terminus of travel, freight and passen- answer is, first to accommodate the Legislature. Geo. A. Little, Crescent, N. Y. gers are now whirled through and by it But how much is absolutely necessary should be as they are by Island Pond and Coatacook, to more enticing points beyond - large enough, and with "very decent benches" cook, to more enticing points beyond—
large enough, and with "very decent benches"

But Mr. W. says it is now supposed by many that the aggregate mileage of members of the Legislature would be reduced

This invaluable medicine is unfailing in the cure of all those painful and dangerous disorders to A large assortment of Alpaccas, Versons surmany that the aggregate mileage of memvermont in the erection of their capitel? This
of all those painful and dangerous disorders to bers of the Legislature would be reduced is the statement. They wish to erect a building which the female constitution is subject. It modifies a skirtings, regulars, ginglams, fine family rather than increased by the proposed costing from \$125,000, to \$200,000. Wherefore erates all excess and removes all obstruction linears; superior sheetings, damasks; backaback, change. He lacks courage sufficient to this great outlay? The Legislature can certainly and a speedy cure may be relied on. change. He lacks courage sufficient to be accommodated with one fourth or one third of the money. But we wish to appear respectable it is peculiarly suited. It will, in a short time one thinks so he entertains a very foolish in the eyes of our neighbors. We have some bring on the monthly period with regularity. thought. But Mr. W's language implies State pride, and we would erect a building that that now the relative mileage distance to shall be an ornament to the State—that shall call eroment stamp of Great Britain, to prevent counfor the admiration of travelers, and cause them Montpelier and Burlington is different to have exalted views of our taste, skill and enfrom what it has hitherto been. This is terrise. Besides, other States are acting on this quite an absurdity, and can not be other- principle. Ohio has recently constructed a capwise unless the locality of the towns has by for convenience, would make us look mean in been changed, for no roads materially the family of States. We will have a State House lessening distance to the two points have then that we shall not be ashamed of-one that been made, and the railroads, by shall be an enument to the State and "all the the course of which distances are increased, have worked an increase unfavorable abstract question the answer is, where it will N. B. \$1,00 and 6 postage stamps enclosed to All orders addressed Derby Line, Vt., will re-

the towns a man move in an air line so that all meet in the centre of the State, and certain other men from each of the towns move also in an air line so that all meet in a town on the border of the State.

The state House in its be will have none but the best quality. And in the departments of Carpeting and Hanging or a good not under a fence.' Such was its position that it could not produce that impression upon the mind, which its grandeur and architect. The state is stock stands unrivaled. Coming from the manufacturers, the needed and best styles may always be found at his store, and at reasonable rates.

The true Digestive fluid, or, gas-live fluid, or, meet in a town on the border of the State the aggregate distance travelled by those who go to the border town, will exceed the aggregate of distance travelled by the same number of men from the same towns to the centre of the State, by nearly one half. For illustration, draw on your that or table an equilateral square, that is a square, all the sides of which shall be of equal length—within that square place the nine digits, 1, 2, 3, &c., equilateral square, and so that the figures shall form three horizontal, and three vertical lines.

The forms of the State is desirated in two fires and at reasonable rates, and at reasonable rates manding position it would have been in trath an object of pride to the State. But on the contrary it seams number of men from the same towns to the same towns to the same towns to the centre of the State, by nearly one half. For illustration, draw on your that or table an equilateral square, that is a square, all the sides of which shall be of equal length—within that square place the nine digits, 1, 2, 3, &c., equilateral square in the same towns are the same towns and at reasonable rates, and at reasonable rates meaning position it would have been in trath an object of pride to the State. But on the contrary it squares the impression that Vermont is an appropriate tills of the TRUE DIGESTIVE.

For illustration, draw on your that of the village. Let us then look around the first the significant is derived. This is the significant and and suppropriate tills of the TRUE DIGESTIVE.

FULLDON. Pepain is NOT A DRUG.

Call on the gent is curative of the word "PEPSIX," or of the two Greek words from whech it is derived. This is the significant and and appropriate tills of the TRUE DIGESTIVE.

FULLDON. Pepain is NOT A DRUG.

Call on the laste, and may be falsed to the false of the Ox, for the cure of Indigestion and undeathly stomach. No art of three horizontal, and three vertical lines. and up and down the Lake, look over the place The figure 5 is thus placed within the with an eye to the beautiful and picturesque and only central square. The other eight surely he must say, it we are to pay out money for the ornamental in our State House, here it figures are in border squares. A diagonal will appear to the best advantage. Here it canline a cross an equi-lateral square is of not fall to impress all who behold it, with admiabout three eighths greater length than House itself, but also its splendid location. Here in every sense of the world twould be an ornatration let it be supposed that, whether ment to the State. Were a disinterested commitby parallel or diagonal lines, the distance tee to examine the location, there could be no in from the confre of one square to the censuccessful manufacture of the square to the central state of the confre of the square to the confre of the square to the square tree of any adjoining square is the same;

| before Montpelier, But are these material objection arising from location or jections to Burlington arising from location or jections to Burlington arising from location or term. For common English, \$3.00; higher English, \$3.00. Masic, French, Ornamental, extra-alignment of the common arising from location or term. For common English, \$3.00.
